Kundalini Yoga: The Power of the Breath

Breath is life and life is breath. When breath flows, so does life

SUNDAY, OCTOBER 27

10:00 AM to 12:30 PM

Cost: In-Studio \$60 – \$65 day of

With dynamic movement and strong breathwork, we will awaken the power of Kundalini energy. Then, with mudras and inner locks — or bandhas — we will channel this heightened pranic energy for inner radiance and higher consciousness, finishing with “Meditation into Ecstasy,” an important breath meditation for the 6th Chakra wisdom center. “Celestial Communications,” a way to chant with movements and mudras, will also be taught. All levels are welcome; beginners and advanced students will receive helpful tips for an effective home practice. If most of your yoga studies have been about asana, this workshop will round out your practice. The "power of the breath" will help your life like nothing else!
